
PRIVACY POLICY – JURIVA AI

Last Updated: May 1, 2026

1. INTRODUCTION

This Privacy Policy describes how **Aivora AI Development FZ-LLC**, a company registered in Dubai, United Arab Emirates (“Company”, “we”, “us”, or “our”), collects, uses, processes, and protects personal data in connection with the Juriva AI platform, including mobile applications, websites, and related services (collectively, the “Services”).

By using the Services, you agree to the collection and use of information in accordance with this Privacy Policy.

2. LEGAL COMPLIANCE

We process personal data in accordance with applicable laws, including:

- UAE Federal Decree-Law No. 45 of 2021 (PDPL)
 - General Data Protection Regulation (GDPR) (EU/UK), where applicable
 - California Consumer Privacy Act (CCPA), where applicable
-

3. NATURE OF THE SERVICES

Juriva AI is an artificial intelligence-powered legal support platform that:

- provides general legal information
- generates draft legal documents
- analyzes contracts and legal documents
- offers AI-based legal assistance tools

The Services operate as a **technology support system**, not a legal service provider.

4. PERSONAL DATA WE COLLECT

4.1 Information You Provide

We may collect:

- name and email address
 - account credentials
 - legal queries and inputs
 - contracts, agreements, and documents uploaded
 - communications with the platform
-

4.2 Automatically Collected Data

We may collect:

- IP address
 - device information
 - browser type
 - usage patterns
 - interaction with AI tools
-

4.3 Payment Information

Payments are processed through third-party providers.

We do not store full payment card data.

5. LEGAL AND CONFIDENTIAL DATA

Due to the nature of the Services, we may process:

- legal documents
- contracts and agreements
- business-sensitive information
- confidential user inputs

We treat such data as **confidential and high-sensitivity information**.

6. DATA MINIMIZATION

We collect only the data necessary to:

- provide the Services
- generate outputs

- improve performance
-

7. HOW WE USE PERSONAL DATA

We use personal data to:

- operate and provide the Services
 - generate legal drafts and analysis
 - improve system functionality
 - enhance user experience
 - ensure security and prevent misuse
 - comply with legal obligations
-

8. LEGAL BASIS FOR PROCESSING (GDPR)

Where applicable, we process personal data based on:

- performance of a contract
 - legitimate interests
 - compliance with legal obligations
 - user consent
-

9. AI DATA PROCESSING

We process user inputs using artificial intelligence systems.

However:

- legal and confidential data is NOT used for AI training without explicit consent
 - data is anonymized and minimized where possible
 - enterprise or sensitive data is isolated and protected
-

10. AUTOMATED PROCESSING

AI may:

- generate document drafts
- analyze legal content
- provide recommendations

However:

- no legally binding decisions are made automatically
 - human review is strongly recommended
-

11. DATA SHARING

We may share data with:

- cloud and infrastructure providers
- analytics providers
- service providers supporting operations
- legal authorities where required by law

We do NOT sell personal data for monetary purposes.

12. INTERNATIONAL DATA TRANSFERS

Your data may be transferred to and processed in:

- the United Arab Emirates
- other jurisdictions where our service providers operate

We apply appropriate safeguards, including:

- Standard Contractual Clauses (SCCs) where required
-

13. DATA RETENTION

We retain personal data only as long as necessary:

- account data: for duration of active use
 - legal documents: based on user storage or deletion
 - logs and analytics: up to 12–24 months
-

14. USER RIGHTS

Subject to applicable law, you have the right to:

- access your personal data

- correct inaccurate data
- request deletion of your data
- restrict or object to processing
- request data portability

Requests are processed within **30 days**.

15. DATA SECURITY

We implement appropriate measures, including:

- encryption (where applicable)
- restricted access
- monitoring systems

However, no system is completely secure.

16. DATA BREACH

In the event of a data breach:

- we will notify affected users where required
 - we will notify relevant authorities as required by law
-

17. COOKIES AND ANALYTICS

We use:

- cookies
- analytics tools

Data may be processed in aggregated and pseudonymized form.

Users may control cookies through browser settings.

18. CHILDREN

The Services are not intended for individuals under 18.

We do not knowingly collect personal data from minors.

19. CHANGES TO THIS POLICY

We may update this Privacy Policy at any time.

Updated versions will be published within the Services or on our website.

Continued use of the Services constitutes acceptance of the updated Policy.
